

How to send TOFEL iBT scores to Kumamoto University

TOFEL iBT scores have an Official Score Report and an Examinee Score Report.

The Official Score Report is a score record that ETS will send directly to the University.

The Examinee Score Report is a score record that ETS will send to each test-taker.

TOFEL iBT score that the Graduate School of Medical Sciences request candidates submit means the Official Score Report

The Official Score Report will not be sent unless test-takers elect to send it.

An Examinee Score Report will be sent to all of the test-takers unless they file to view their scores only online on My Home Page (※).

※About My Home Page . . .

My Home page is a personal page on the ETS website for the individual test-taker, which all of the test-takers must have.

You can check your scores and register to have them sent to the school of your choice through My Home Page.

The test-takers have to complete the sending procedure for the Official Score Report by the specified date according to the following procedures 1 to 3.

1. 【For test-takers who are going to take the TOFEL iBT】

(1) Test-takers must complete the sending procedure for their Official Score Report on My Home Page by the day before the test. (This is free for up to four schools)

※When you proceed, fill in D1 code “0135” and choose school type “undergraduate 00”

Check the details for the sending procedure on the ETS official website.

(2) ETS will finish marking the test approximately three weeks after your test date. After that, the Official Score Report will be sent.

Test-takers must take the TOFEL iBT and complete the sending procedure for the score report by the middle of November due to international shipping times.

2. 【For test-takers who have already taken the TOFEL iBT】

(1) Test-takers must complete the sending procedure for their Official Score Report on My Home Page (Charged).

※When you proceed, fill in D1 code “0135” and choose school type “undergraduate 00”

Check the details for the sending procedure on the ETS official website.

ETS can report only scores that have been sent within two years of the test date.

Test-takers can choose the best score if they have taken the test several times.

(2) Test-takers must take the TOFEL iBT and complete the sending procedure for the score report by the middle of November due to international shipping times.

3. After sending the Official Score Report

Test-takers must send an e-mail with the following information to the graduate school of Medical Sciences, Kumamoto University and their prospective supervisor.

- (1) Name
- (2) Nationality
- (3) Date of birth
- (4) TOEFL iBT test date
- (5) The date they filed to send the Official Score Report
- (6) The name of their prospective supervisor

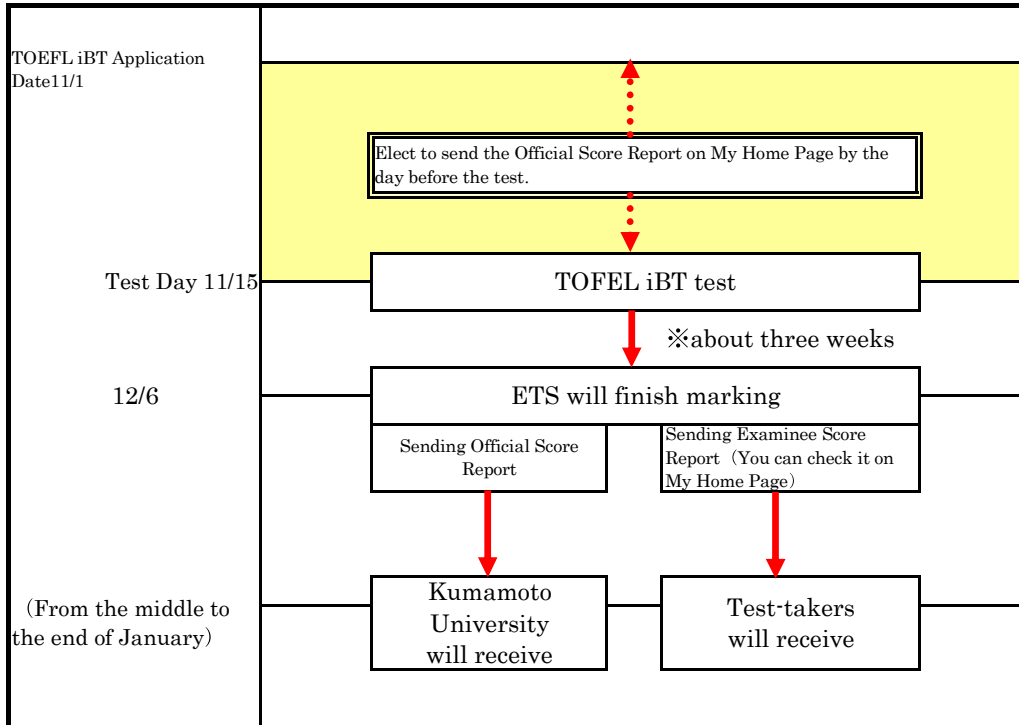

Contact : ① iyg-igaku-3@jimu.kumamoto-u.ac.jp Graduate School of Medical Sciences,
Kumamoto University)

- ② The prospective supervisor in the Graduate School of Medical Sciences.
