***Contents for Medical Experiment Course and the A5 are the same as the doctoral course.**

Classes will be given in Lecture Room 2 on the 3rd floor of the Medical Education & Library Building.

*The first 7 lectures of A5 "Research Ethics and Bioethics" will include online coursework offered on eAPRIN, and will be available from June to Decemeber.
*There will be intensive lectures for B7 "Introduction for Laboratory Animal Experiments". Details will be announced at a later date via email and on the GSMS Website.
*Students who complete B8 "Basic Radiology" will be allowed to perform RI experiments without additional training.
*Seminars are not included in the timetable. They usually start from 17:30. Please refer to the GSMS Website for each year's schedule.
*This timetable is subject to change. Any changes or class cancellations will be notified via email and on the GSMS Website.
Students are advised to check the website before each class. For class information, see the "Lecture, e-learning" page.
