

Practice (Jissen) I, II・Practice (Jissen) III Timetable Code List

Please refer to the URL below for further details of "Departmental Course Practice (Jissen) I, II・Practice (Jissen) III".

<http://syllabus.kumamoto-u.ac.jp/>

Field		Subject	Practice I	Practice II	Field		Subject	Practice I	Practice II
Basic Medicine	1	Anatomy	20380	21190	Surgery	50	Urology	22820	22950
	2	Histology	20280	21090		51	Ophthalmology	22830	22960
	3	Sensory and Cognitive Physiology	20390	21200		52	Otolaryngology-Head and Neck Surgery	22840	22970
	4	Molecular Physiology	20250	21060		53	Oral and Maxillofacial Surgery	22860	22990
	5	Molecular and Medical Pharmacology	26055	26056		54	Dermatology and Plastic Surgery	22570	22690
	6	Medical Biochemistry	20500	21310		55	Anesthesiology	22870	23000
	7	Molecular Genetics	20240	21050		56	International Medical Cooperation	20950	21760
	8	Pathology and Experimental Medicine			Institute of Molecular Embryology and Genetics	57	Kidney Development	22490	22610
	9	Cell Pathology	20510	21320		58	Brain Morphogenesis	22500	22620
	10	Microbiology	20480	21290		59	Cell Modulation	22510	22630
	11	Immunology	20290	21100		60	Cell Maintenance	22520	22640
	12	Molecular Brain Science	25070	25080		61	Cell Differentiation	22530	22650
	13	Molecular Biology of Aging and Longevity	25260	25270		62	Stem Cell Biology	22550	22670
	14	Lifelong Health Education	25860	25870		63	Medical Cell Biology	22560	22680
	15	Medical Oncology and Translational Research	22890	23020		64	Chromosome Biology	25190	25200
	16	Neuroscience for Metabolic Control	26053	26054		65	Muscle Development and Regeneration	25690	25700
	17	Medical Education	26059	26060		66	Trophoblast Research	26057	26058
Environmental and Socio Medical Sciences	18	Public Health	23060	23070	Joint Research Center for Human Retrovirus Infection	67	Hematopoiesis	25300	25310
	19	Forensic Medicine	21010	21820		68	Infection and Hematopoiesis	25320	25330
	20	Bioethics	21020	21830		69	Infection and Immunity	25340	25350
	21	Clinical Ethics	21040	21850		70	AIDS Therapeutics	25360	25370
	22	Clinical Psychology	21030	21840		71	Vaccine	25380	25390
	23	Regulatory Science	23040	23050		72	Genomics and Transcriptomics	25400	25410
Internal Medicine and Pediatrics	24	Respiratory Medicine	22790	22920		73	Molecular Virology & Genetics	25750	25760
	25	Cardiology	22800	22930		74	Virology and Pathology	26000	26010
	26	Endocrinology and Metabolism	20700	21510	Institute of Resource Development And Analysis	75	Reproductive Engineering	20370	21180
	27	Nephrology	20720	21530		76	Disease Epigenetics	25560	25570
	28	Gastroenterology and Hepatology	20690	21500		77	Radioisotope and Tumor Pathobiology	26061	26062
	29	Hematology,Rheumatology and Infectious Disease	25130	25140		78	Functional Genomics	26065	26066
	30	Neurology	25420	25430	International Research Center for Medical Sciences	79	Stem Cell Stress	25440	25450
	31	Pediatrics	20740	21550		80	Transcriptional Regulation in Leukemogenesis	25460	25470
	32	Diagnostic Medicine	23080	23090		81	Developmental Morphogenesis	25480	25490
	33	Diagnostic Radiology	20630	21440		82	Multi-dimensional Imaging	25520	25530
	34	Radiation Oncology	20620	21430		83	Proteostasis in Stem Cell	25900	25910
	35	Neuropsychiatry	22810	22940		84	Developmental Cardiology	25920	25930
	36	Disaster and Critical Care Medicine	25960	25970		85	Chromatin Organization in Immune Cell Development	25940	25950
	37	General Medicine and Clinical Epidemiology	25980	25990		86	Epigenetic Inheritance	26063	26064
	38	Health Care Science	21000	21810		87	Metabolomics practice II		21860
	39	Medical Information Sciences	20660	21470		88	Metabolic information epidemiology practice II		21870
	40	Diagnostic Pathology	25540	25550					
	41	Physiological Function Assessment	22230	22240					
	42	Advanced Cardiovascular Medicine	22730	22750					
Surgery	43	Gastroenterological Surgery	20870	21680					
	44	Thoracic Surgery and Breast Surgery	25880	25890					
	45	Cardiovascular Surgery	20860	21670					
	46	Pediatric Surgery and Transplantation	22880	23010					
	47	Neurosurgery	20920	21730					
	48	Orthopaedic Surgery	22850	22980					
	49	Obstetrics and Gynecology	22580	22700					

Practice III

89	Diagnostic Image Analysis practice III		21880
90	Surgical therapeutics for Cancer practice III		21890
91	Radiation Oncology practice III		21900
92	Cancer Chemotherapy practice III		21910
93	Palliative Care practice III		21920
94	Clinical metabolic informatics practice III		21930
